- * 15,000 disappeared.
- * 5,000 murdered.
- * 300,000 exiled.
- * 150 children under 14, relatives of political prisoners have disappear.
- * Torture is applied in a scientific and systematic form.
- * Numbers of prisoners are executed and complete families opposed to the military are exterminated.
- * Inflation of 350% per year.
- * Worker's earning equivalent to 60 dollars a month.
- * Infant mortality increased because of malnutrition.
- * Factories occupied by the military
- * Universities under control of the Armed Forces.
- * Many priests, ministers, bishops and nuns are persecuted, in jail and murdered.
- * All the newspapers controlled by the military. Many of them closed. Journalists persecuted, jailed, tortured and murdered.
- * There is no right to strike.

However, the Argentine People continue their struggle for their rights.

Why organize an International Solidarity Congress ?

1st. To make possible a meeting of more than 40 Argentine Solidarity organizations with the victims of the repression in Argentina.

2nd. To unify a working criteria to coordinate the action for the present year.

3er. To take stock of the activities after three years of military dictatorship.

Why in U.S.A. ?

1st. Because of the deep ties and the influence that this country has in Argentina.

2nd. To make possible for the delegates to get in contact with the International Community of the U.N., the Organization of the American States, and the Congress.

3er. Because of the low coverage in the american press about the human rights problem in Argentina.

To make possible this Congress
